TORQUE

FIFTH WHEELS

TOP 5 EXTERIOR FEATURES

1. Armor Guard wrap around skirting
2. Step Caddy folding patio step holder
3. Great outdoor cooking station
4. Azdel laminated sidewalls and composite substrate creating a strong, lightweight, quiet, weather and temperature resistant wall that will increase the life of your RV
5. Easy Step – Quad aluminum solid step from the main living and quad aluminum pull out step from garage entry

All Torque units are proudly crafted with Azdel composite sidewalls. Half the weight of wood, environmentally friendly panels lighten your load while increasing your trailer's durability and insulation value. Azdel also resists water, sound and temperature changes, keeping your living spaces comfortable and quiet.

Maximum garage space for all your toys or extra living space. Most of our garages also come with 1/2 bathroom for accessibility.

TOP 5 INTERIOR FEATURES

1. Full height shaker cabinetry with 25% more storage
2. Swift space work station for quick convenient pull out dresser work station
3. Residential microwave the only one like it in its class
4. Tilting king bedroom suites with 30% more floor space
5. Maximum garage space with folding 1/2 bath wall to fit all your toys

Exclusive bed tilt system facing east to west allowing 30% more floor space. Our bedroom suites feature a walk-in closet and a pull out dresser to create a workstation and hidden TV.

New lightened interior with beautifully designed full height shaker cabinetry with 25% more space.

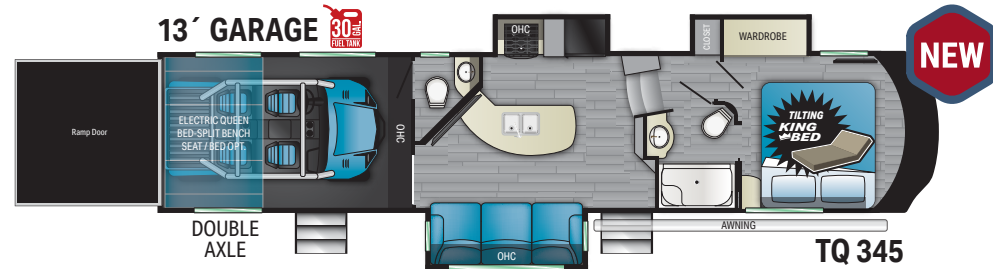

Torque's new interior has been redesigned and reimagined, giving it lighter finishes, natural wood tones, updated fixtures and no carpet throughout the entire unit.

Product information is as accurate as possible as of the date of publication of this brochure. Due to Heartland's commitment to continuous product improvement, floorplans, materials, components, features, measurements, specifications, options, etc. are subject to change at any time without notice or obligation. In certain conditions some additional equipment may be needed. Photos may show optional equipment or props used for photography purposes only. Heartland has listed the approximate base weight of the trailer without the optional equipment included. Optional equipment will impact the weight of the trailer. Please locate the weight sticker attached to the trailer you are considering for the most accurate trailer weight. Tow Vehicle Caution: Owners of Heartland recreational vehicles are solely responsible for the selection and proper use of tow vehicles. All customers should consult with the motor vehicle manufacturer or their dealer concerning the purchase and use of suitable tow vehicles for Heartland products. Heartland disclaims any liability or damages suffered as a result of the selection, operation, use or misuse of a tow vehicle. Heartland's limited warranty does not cover damage to the recreational vehicle or the tow vehicle as a result of the selection of the tow vehicle. Overall length for a Fifth Wheels is defined as the body length of the trailer excluding hitch meaning bumper to cap. The overall length for a Travel Trailer is defined as the body length of the trailer including hitch, meaning bumper to hitch(pin). It does not include rear ladder of spare tire. Optional pin boxes will affect overall length.
